

CALF BUY BACK PROGRAM

VALLEY OAKS CALF BUY BACK PROGRAM

The Valley Oaks Angus Calf Buy Back Program is designed to offer bull buyers a sales outlet for their calves under 6 years of age sired by Valley Oaks bulls. Calves sired by Valley Oaks Angus bulls, that qualify for the VOA Buy Back Program, will be eligible for top of the market pricing. Valley Oaks will guarantee a \$.05 premium on calves. Valley Oaks Angus offers superior genetics and carcass value that produce superior calf crops for producers! Terms and conditions may apply. What is the Buy Back Program? The Valley Oaks Angus Calf Buy Back Program is designed to offer bull buyers a sales outlet for their calves. This program allows producers to save on shrinkage, commission, yardage and marketing.

Requirements:

1. Calves **MUST** be guaranteed to be out of Valley Oaks Angus Bulls.
2. Calves must be weaned a minimum of 30 days prior to delivery.
3. Calves must be regularly vaccinated and have birth records.

The Process: When a producer has calves available, they can reach out to the Valley Oaks Angus team and set up a time for a VOA representative to come and physically inspect the calves. Once inspected and approved for the VOA Calf Buy Back Program, a price will be determined based on current market prices. Delivery will be at the seller's sole cost. If the seller is unable to deliver, VOA can assist in the delivery to the Valley Oaks feedlot. Weights and prices will be finalized upon delivery. Valley Oaks will maintain the right to DNA test any calf to confirm Valley Oaks.

Rules

1. All requirements must be met for calves to be considered for the Buy Back Program.
2. Valley Oaks Angus bulls are nontransferable. Only the original bull buyer will qualify for the Buy Back Program.
3. No calves sired by a Valley Oaks bull over the age of 6 years will qualify for the Buy Back Program.
4. All eligible calves must be sired from first generation Valley Oaks Angus.
5. Bulls must be purchased at a Pre-Qualified Valley Oaks sale to qualify for the Buy Back Program
